

LCPE Series Splitter Modules

1x32 Splitter Module for LCPE, SC APC

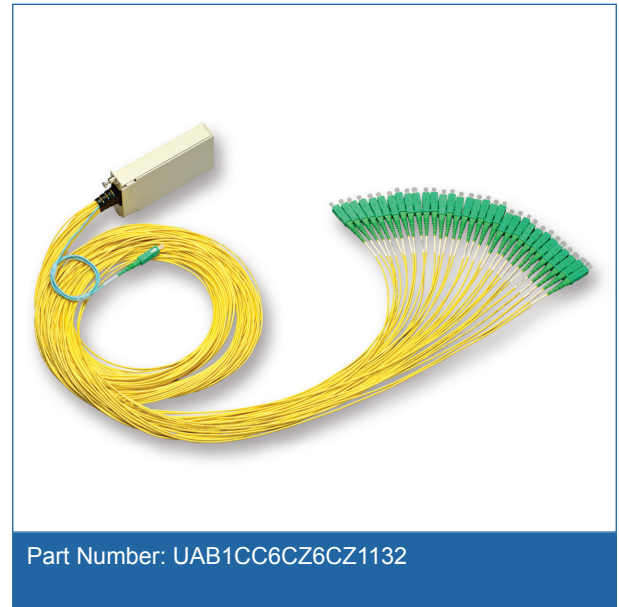

CORNING

All splitter modules are compatible and interchangeable across all OptiTect® Local Convergence Point Enclosures (LCPE).

The modules meet applicable sections of Telcordia GR-1209-CORE and GR-1221-CORE. Each splitter module features connectorized inputs and outputs.

Features

- **Bend-improved fiber on input/output legs**
Minimize attenuation
- GR-1209 and GR-1221 qualified
- **Robust housing**
Protects module during installation and throughout product life
- Integrated parking clips installed on connectors make them ready for mounting
- **Range of splitter ratios**
Support both central and distributed split architectures from one LCP platform
