

Items for Recycling when Buying New Corning Electrical and Electronic Equipment

Under Waste Electrical and Electronic Equipment (WEEE) regulations for each Region in Belgium, when customers buy new electrical and electronic equipment from Corning they are entitled to send old equipment for recycling on a one-for-one, like-for-like basis. Corning has established a recycling contract with the European Advanced Recycling Network (EARN) and will cover any costs of recycling the equipment in this box on arrival at an EARN recycling company. Please complete this label and attach it to a suitable box for transport of old equipment to EARN.

Please confirm that you are the producer of the waste and that the enclosed equipment is:

To be sent to:

Old equipment that has been replaced by a purchase of new Corning equipment after August 13th 2005 (on a one-for-one, like-for-like basis); and/or

Corning Equipment purchased after August 13th 2005 which has become waste

Old Electrical or Electronic Equipment which has become waste
