

## Items for Recycling when Buying New Corning Electrical and Electronic Equipment

Under the Luxembourg WEEE Regulations, when customers buy new electrical and electronic equipment from Corning they are entitled to send old equipment for recycling on a one-for-one, like-for-like basis. Corning has established a recycling contract with the European Advanced Recycling Network (EARN) and will cover any costs of recycling the equipment in this box on arrival at an EARN recycling company. Please complete this label and attach it to a suitable box for transport of old equipment to EARN.

***Please confirm that enclosed waste (EWC code 16 02 14) is:***
